

CERTIFICATE

of conformity of the factory production control

NB2276-CPR-029/24.006

In compliance with Regulation (EU) No. 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction products regulation or CPR), this certificate applies to the construction product

Construction product	Structural components and kits for steel structures
Execution class	up to EXC2 according to EN 1090-2
Scope of certificate	For load-bearing structures in all types of buildings
CE-marking method	ZA.3.2 and ZA.3.5 pursuant to EN 1090-1:2009+A1:2011
Placed on the market under the name or trade mark of	IFA Technology GmbH Jurastraße 10 86641 Rain am Lech
Produced in the manufacturing plant	IFA Technology GmbH Jurastraße 10 86641 Rain am Lech

This certificate attests that all provision concerning the assessment and verification of constancy of performance described in Annex ZA of standard

EN 1090-1:2009+A1:2011

under system 2+ are applied, and that the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on **12/16/2024** and will remain valid as long neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly unless suspended or withdrawn by the notified factory production control certification body.

The validity of the certificate can be checked at www.isib.de.

Darmstadt, den 12/16/2024
Place and date of issue

Dipl.-Ing. J. Anders, IWE
Head of certification body

This certificate remains the property of ISiB Dr. Möll GmbH. The Manufacturer is obliged in the case that the certification conditions are no longer valid, in case of miss use, or in the case of annulment acc. to point 5.3 or 5.4 of the quality-management-handbook of the certification body, to give back this document.

General provisions

The resignation of the persons named in the certificate, or a change in the essential bases for obtaining certification must be reported to ISIB Dr. Möll GmbH immediately.

In case of doubt as to the suitability of the manufacturer, or if the quality requirement to the products are not met, ISIB Dr. Möll GmbH reserves the right to undertake chargeable inspections at any time, without advance notice.

This certificate may at any time be withdrawn or suspended in accordance with contractual if the conditions under which it was issued have changed or if the requirements for the production of the products are not being met.

At least two months before the next regular monitoring (12 months) the manufacturer must submit the relevant documents to the ISIB Dr. Möll GmbH or make an inspection appointment.

In the case the certificate is suspended or withdrawn by ISIB Dr. Möll GmbH the notified body is obliged to give immediate notification to the DIBt (Deutsches Institut für Bautechnik, Berlin).
